

## BioMist – Hair & Body

FORMULA BIO06022026

| PHASE    | TRADE NAME                              | INCI NAME                  | W/W %         | INGREDIENTS  |
|----------|---|----------------------------|---------------|--|
| <b>A</b> | Water                                   | Water                      | QS            |  |
|          | Polyquaternium-73                       | Polyquaternium-73          | 0.50          |  |
|          | <b>TAOSensory Modifier<sup>1</sup></b>  |                            | 2.00          | A sensory enhancing, multifunctional ingredient with antioxidant and soothing properties. Reduces tack + improves transitional feel of formula during dry down. Allows the incorporation of water into certain anhydrous systems.  |
|          | <b>TAOS Eclipta Extract<sup>1</sup></b> | Eclipta Prostrata Extract  | 1.00          | a multifunctional botanical active that delivers targeted benefits for both skin and hair care. For the skin, it helps strengthen the natural barrier, soothe irritation, reduce inflammation, and improve resilience against environmental stress. In hair and scalp care, it calms sensitivity, supports a healthy scalp microbiome, and promotes overall scalp balance, contributing to stronger, healthier-looking hair.  |
|          | <b>ProRenew Complex CLR<sup>1</sup></b> | Lactococcus Ferment Lysate | 2.00          | A plant-based active that strengthens the skin barrier, soothes irritation, and boosts resilience against environmental stress. Ideal for sensitive or stressed skin, it supports recovery, reduces redness, and helps maintain a healthy, balanced microbiome.   |
| <b>B</b> | Citric Acid 25% Sol.                    | Water, Citric Acid         | Q.S.          |  |
|          | NaOH 25% Sol.                           | Water, Sodium Hydroxide    | Q.S.          |  |
|          | <b>TOTAL</b>                            |                            | <b>100.00</b> | <b>COSMOS/ECOCERT =</b>   |
