KEY COMPONENTS

Akowell Fresh

Antibacterial protection of Usnic Acid + astringent properties of Myrrh Resin to controls odor-causing bacteria for up to **24 hours**.

Akosky Apium

A celery stem cell–derived active designed to support skin structure and visible rejuvenation. It Improve firmness and elasticity. Reduce the appearance of wrinkles and stretch marks for smoother, denser-looking skin.

AnnonaSense CLR™

Upcycled neuro-cosmetic active that promotes the skin's capacity to handle stress. **Rebalances**, reduces redness and cortisol levels in skin + body.

Glacial Oceanic Mineral Water SH

Pore minimizing, mineral rich, moisturizing water alternative that enhances active performance.

MultiMoist CLR

Beetroot + prebiotic Fructooligosaccharides of biotech origin. Instant/long-term hydration. Boosts production + activation of the vitamin D receptor. Potentiates effects of vitamin D.

Vitamin F Forte

Safflower derived polyunsaturated essential free fatty acids, primarily linoleic and linolenic acid. **Designed to nurture and protect dry, stressed, or sensitive skin** by helping restore and maintain natural lipid barrier. Supports moisture retention and reduces dryness.
